Welcome to Lyzr AI

We are excited to have you join us on this journey. As a new member of our team, your contributions are invaluable. This employee Playbook is your go-to guide for understanding our company culture, values, and expectations.

Within these pages, you'll find information on:

- **Company Overview:** Learn about our Mission, Vision, and Core Values.
- **Company Culture:** Learn about our unique company culture and how to embody our values.
- **Policies and Procedures:** Familiarize yourself with our company policies, including HR guidelines, time off, and expense reimbursement.
- **Performance Expectations:** Understand our expectations for your role and how to contribute to our success.

All employees including Consultants, part timers and interns are required to abide by the Code of Conduct and Policies mentioned in this Employee Playbook.

Remember, this playbook is a living document. We encourage you to refer to it often and to reach out to your manager or HR team for any questions.

Lyzr AI INDIA PRIVATE LIMITED reserves unconditional right to amend, abrogate, modify and/or rescind any of the terms and conditions listed in this Employee Playbook.

Let's work together to create a positive and rewarding workplace experience!

Our Story

A Journey of Innovation and Collaboration

Siva's Entrepreneurial Journey

Siva, a seasoned entrepreneur, founded PowerUpCloud in 2015 and successfully sold it to Larsen & Toubro Infotech (LTI) in 2019. Upon completion of his engagement with LTI in 2022, he identified the transformative potential of AI in the field of data analysis.

The Birth of Lyzr

Inspired by ChatGPT, Siva envisioned a product where users could upload CSV or Excel files and ask questions, receiving insights and recommendations in return. As he discussed this idea with potential customers, Siva realized the paramount importance of data privacy. Additionally, he found the existing platform, LangChain, inadequate for his vision. This led to the birth of Lyzr in April 2023, derived from the word “analyzer.”

Lyzr was initially focused on creating an AI product for data analysis but soon pivoted to developing an agent framework by October 2023.

An agent framework, as Siva saw it, was a platform to build AI agents capable of autonomously performing tasks based on given inputs. The rise of chat-based agents during late 2023 solidified this direction.

Lyzr began with chat agents and knowledge search agents, eventually expanding into workflow automation. Key innovations include the AI SDR (Sales Development Representative) for sales, Skott for marketing automation, and Diane, an HR-specific agent, each designed to optimize and streamline essential business functions.

Building the Team

Siva reunited with Anirudh, a long-time friend and colleague, who brought technical expertise and shared vision. Jimmy, another friend, joined as CTO with his strong technical background.

Together, the team of 50+ operates across the US and India, creating innovative AI solutions. Lyzr's mission is to redefine what's possible through the power of AI agents. United by a common goal and diverse expertise, team Lyzr continues to push the boundaries of AI, creating innovative solutions that redefine what's possible.

Technological Advancements

Lyzr's development has been closely tied to advancements in AI technology. The emergence of large language models like ChatGPT has played a pivotal role in enabling Lyzr to create powerful and versatile AI agents. By leveraging these models, Lyzr can provide natural language understanding, generate human-like text, and complete complex tasks.

Product Evolution

Lyzr's product has evolved from its initial focus on data analysis to a broader platform capable of automating various tasks. The company's agent framework allows for the creation of customized AI agents that can be tailored to specific needs and industries. This flexibility has enabled Lyzr to expand its offerings and target a wider range of customers.

Impact on Industries

Lyzr's technology has the potential to transform a wide range of industries. In the sales domain, Lyzr's AI SDR can automate lead generation and qualification tasks, freeing up sales teams to focus on high-value activities. In customer service, Lyzr's AI agents can provide 24/7 support and handle routine inquiries, improving customer satisfaction. Additionally, Lyzr's technology can be applied to areas such as marketing, finance, and operations to streamline processes and drive efficiency.

Future Outlook

As AI technology continues to advance, Lyzr is well-positioned to capitalize on emerging opportunities. The company's focus on innovation and adaptability will be crucial in ensuring its long-term success. Lyzr's future may include exploring new applications for its technology, expanding into international markets, and forming strategic partnerships with other companies.

Lyzr's journey from a data analysis tool to a versatile AI platform is a testament to the power of innovation and the potential of AI to revolutionize industries. By leveraging cutting-edge technology and building a strong team, Lyzr is poised to become a leader in the AI space.

Our Vision

Lyzr is dedicated to creating a future where enterprises flourish with Organizational General Intelligence (OGI), empowering them to serve their customers intelligently, liberate their workforce from mundane tasks, and unlock infinite possibilities for meaningful work and lives.

Our Mission

Lyzr equips organizations with a central brain—an intelligent, adaptive system that fosters awareness, agility, adaptability, and autonomy. By connecting and enhancing the intelligence of AI agents and workforces, we help businesses discover, dialogue with, and deliver to their customers in smarter, more impactful ways.

Leadership

Siva Surendira
Founder and CEO

Anirudh Narayan
Founding CGO

Jithin George
Founding CTO

Being Humble: Stay grounded, keep learning, and let your work speak for itself.

Extreme Ownership:

Own your work completely-no excuses, just solutions.

Go for the Swing:

Take bold bets, embrace challenges, and aim for big wins.

Intent and Integrity: Act with purpose and always do the right thing, even when no one is watching.

Hustle: Stay relentless, move fast, and make things happen.

Qualities & Values We Cherish in Our Employees

Our Expectation from You

As we strive to become a global leader in AI agent framework, we expect you to:

- **Collaborate:** Work effectively with your team and colleagues.
- **Innovate:** Bring in new ideas and best practices.
- **Problem-Solve:** Identify and address challenges efficiently.
- **Deliver Excellence:** Create exceptional products that meet our market and customer needs.
- **Move fast:** We trust you to complete your tasks on time and to the highest quality standards.
- Your actions should aim to **positively** represent the company.
- All Lyzr employees are required to treat everyone, including colleagues and customers, with **respect** and **professionalism**.

Definitions Used in the Playbook

- “Employee” and “Team Member” as used in this Playbook, refers to all full-time employees, part time employees, consultants and interns employed by Lyzr.
- “Company” or “Organization” or “Management” as used in this Playbook refers to Lyzr AI INDIA PRIVATE. LTD.
- “Manager” as used in this Playbook refers to your immediate supervisor or reporting manager and/or management of Lyzr.

EMPLOYMENT POLICIES

Chapter One:

At-Will Employment and General Conduct Standards

We are committed to the highest standards of conduct at every level, and we depend upon the personal and professional integrity and dedication of all employees to help uphold these standards. Your character and helpful behavior are assets and a credit to Lyzr. To help maintain a positive work environment for you and your co-workers, we rely on you to behave according to the provisions set forth in this Employee Handbook and in other Lyzr policies and directives.

Failure to comply with Lyzr guidelines may result in disciplinary action, up to and including termination of employment.

This Employee Handbook is not intended to address every situation that might arise but is intended to highlight Lyzr's expectations regarding your conduct in general. Nothing in this Employee Handbook alters our at-will employment policy, which is set forth below. This Employee Handbook is intended to provide employees and managers with general guidelines for conduct and behavior in the workplace. Lyzr reserves the right, with or without notice, in an individual case or generally, to change and/or modify its interpretation of or revise, modify, delete, or add to any and all policies, procedures, work rules, or benefits stated in this Employee Handbook or in any other document. Any written changes to this Employee Handbook will be distributed to all employees so that employees will be aware of the new policies or procedures.

This Employee Handbook supersedes and replaces any and all prior employee handbooks and any prior inconsistent verbal or written policy statements. If any term of this Employee Handbook conflicts with applicable state or local law, state or local law shall control.

At-Will Employment

You are employed on an at-will basis, except where a written agreement is signed by you and Lyzr's CEO and expressly disclaims your at-will status. This at-will employment policy means that, in the absence of such an agreement, either you or the Company may terminate the employment relationship at any time, for any reason, with or without cause or notice. Nothing in this Employee Handbook shall limit the right to terminate employment at will. In addition, it means that, in the absence of a written agreement to the contrary, the terms and conditions of your employment, including, but not limited to, your compensation, benefits, duties, schedule, and location of work may also be changed at any time in Lyzr's sole discretion, with or without cause, and with or without advance notice, and you may be transferred, promoted, or demoted, with or without cause, and with or without advance notice.

Anti-Harassment and Discrimination

Harassment Free Workplace

We are committed to creating an inclusive, respectful, courteous work environment free of discrimination and harassment of any kind, and we are committed to taking all reasonable steps to prevent and address discrimination and harassment if and when it occurs. We will not tolerate discrimination or harassment, including but not limited to those relating to any characteristic protected under applicable law by any employee, contractor, vendor, customer, or visitor. These policies apply any time employees are at work or attending work-related events. Employees are also reminded that even off-work conduct can affect the workplace; discriminatory or harassing behavior outside of work that affects the workplace may also be a basis for discipline up to and including termination.

Individuals who believe that they have been subjected to harassment, discrimination, or sexual assault by any manager, supervisor, team member, vendor, or client of Lyzr, and any team members who have witnessed what they believe to be harassment or discrimination, must report the situation immediately to their manager or any other Lyzr manager. No team member, including managers, is exempt from this policy.

Lyzr does not tolerate any retaliation against any employee who makes a good faith report of harassment or discrimination. Furthermore, Lyzr will maintain the confidentiality of reporting employees to the greatest extent possible. However, in order to conduct a complete, thorough investigation, it may not be possible to maintain complete confidentiality.

All harassment claims are investigated in a timely, objective, and thorough manner as confidentially as possible. Lyzr will conduct or direct that a fair, timely, and thorough investigation occurs as appropriate. Investigations will be impartial, documented, and conducted by qualified personnel. All employees are encouraged to document incidents of potential discrimination, harassment, or sexual assault and are expected to cooperate fully in any investigation. If it is determined that this policy has been violated, Lyzr will take appropriate disciplinary action or corrective measures, including, but not limited to, mandatory counseling, training, additional supervision, transfer, change of job duties, demotion, suspension, or termination of employment. This list of potential corrective actions is illustrative only. Lyzr will determine the type of corrective action necessary to remedy any situation created by a violation of our policy against harassment and discrimination.

Protection Against Retaliation

Lyzr will not tolerate any form of retaliation against any employee who, in good faith, opposes discrimination or prohibited harassment, makes a complaint, or participates in any manner in an internal investigation or an investigation, proceeding, or hearing conducted by a state or federal agency or court. Any employee who engages in retaliation will be subject to disciplinary action, up to and including termination of employment.

Bullying Free Workplace

Lyzr is proud of its professional and congenial work environment and does not tolerate bullying behaviors of any kind.

Lyzr defines bullying as “repeated inappropriate behavior, either direct or indirect, whether verbal, physical or otherwise, conducted by one or more persons against another or others, at the place of work and/or in the course of employment.”

If you witness or are subjected to any conduct you believe violates this policy, you must speak, write, or otherwise contact your manager or another Lyzr manager.

Lyzr does not tolerate any retaliation against any employee who makes a good faith report of bullying. Furthermore, Lyzr will maintain the confidentiality of reporting employees to the greatest extent possible. However, in order to address the situation, it may not be possible to maintain complete confidentiality.

Anyone found to be engaging in any type of bullying in violation of this policy may be subject to appropriate corrective and/or disciplinary action, up to and including termination.

Code of Business Ethics and Conduct

Lyzr has a responsibility to conduct its business in strict compliance with all applicable laws and regulations. Lyzr requires employees to act in accordance with the highest standards of business ethics both on and off Lyzr premises, to avoid any appearance of impropriety, and to observe all applicable laws and regulations while conducting business on Lyzr's behalf. You are expected to abide by the spirit as well as the letter of this Code. You are also expected to cooperate with any inquiries or investigations concerning a possible or suspected violation of this Code. Any employee's failure to fulfill their responsibilities under this Code may result in disciplinary action, up to and including termination of employment.

Ethical Standards

Lyzr is committed to conducting business in a fair and open manner within the spirit and letter of the law, with the highest regard for customers, the community, and employees. Lyzr's success depends not only on the knowledge, skills, and abilities of employees, but also on sound judgment, self-discipline, common sense, and integrity. As such, all employees are required to maintain and uphold the following common ethical standards:

- To pursue Lyzr objectives in a manner that does not conflict with the integrity of Lyzr or the public interest;
- To be truthful and accurate in all you say and do;
- To protect confidential information;
- To treat fellow employees with respect and dignity;
- To observe all laws, regulations, ordinances, and rules applicable to the operation of the business;
- To maintain honest and fair relationships with all employees, contractors and vendors;
- To ensure quality and value in Lyzr's products/services and relationships with customers and vendors;
- To avoid, during the course of your employment, any situations that may engender any conflict between the personal interests of employees and the business interests of Lyzr, except to the extent the law permits otherwise; and
- To avoid creating a disruptive, unprofessional, or unproductive working environment.

Nothing in this Employee Handbook prohibits employees from discussing the terms or conditions of their employment with other employees or engaging in any concerted activities protected by the National Labor Relations Act or under applicable state law.

Conflict of Interest

Lyzr insists on the undivided loyalty of all employees, including management and non-management staff, except to the extent that doing so would be inconsistent with applicable law. Subject to that caveat, employees must not engage in any conduct, and must avoid situations that would create an actual or potential conflict of interest or create the appearance of such a conflict.

Conflicts of interest arise when an employee's personal activity or personal interest is contrary to the interests of Lyzr. These personal activities or interests may influence the employee's judgment, causing the employee to make decisions based upon the potential for personal gain, rather than in the best interests of Lyzr.

- To prevent conflicts of interest, the following behavior is deemed unacceptable and unethical, except to the extent the law provides otherwise:
- Receiving or giving of merchandise, money, services, travel, accommodations, or lavish entertainment that might appear to have been given to influence a business decision. Gifts offered or received at any time that are of more than minimal or token value shall not be accepted and shall be returned to the sender with an appropriate explanatory note or letter.
- Maintaining personal, business, or financial relationships with a customer or vendor where the employee has control or influence over Lyzr's relationship with that customer or vendor. For example, employees should not borrow from or lend personal funds to a customer or vendor of the employee's division.
- Using information developed or learned on the job for personal or familial benefit. This includes the use of Lyzr databases, financial information, and intellectual property.
- Maintaining outside directorship, employment, or political office that might appear to or actually conflict or compete with an employee's responsibilities.
- Conducting Lyzr business with or using position or authority to influence Lyzr to conduct business with, family members.
- Unauthorized sharing of confidential or proprietary Lyzr information with business associates or representatives of other companies.
- All employees must gain prior written approval (from the head of the People Team) for any external employment, contract, consulting, vendor, etc. while employed with Lyzr.

The list above serves only to illustrate sources of possible conflicts of interest and does not constitute a complete list of all the situations that may result in a conflict of interest. Ultimately, it is the responsibility of each employee to avoid any situation that could affect their ability to judge situations independently and objectively, and any situation that could even appear to be a conflict of interest. It is important to note that under certain circumstances, conflicts of interest can amount to violations of criminal law. If you are unsure if an activity or situation may present a conflict of interest, you must bring the matter to your manager as soon as possible.

Employment of Relatives and Significant Others

A familial relationship among employees can create an actual or a potential conflict of interest. Relatives of an employee will be considered for employment on the basis of their qualifications. However, to the extent permitted by applicable law, Lyzr may refuse to hire or place a relative in a position when the potential for favoritism or conflict exists.

Additionally, the same general considerations apply if two employees marry or become involved in a domestic-partner or personal relationship. If two employees marry or become involved in a domestic-partner or personal relationship, they must immediately disclose this changed circumstance to their manager or any other Lyzr manager.

Recognizing & Reporting a Conflict

It is essential that all employees pay close attention to possible violations of the Code of Business Ethics and Conduct, whether they occur because of an oversight or intentionally. Any employee who is aware of possible violations should notify their manager, another Lyzr manager, or the People Team. If you are not sure whether there is an ethical problem, you must ask your manager or the People Team.

Violation of the Code

Violations of this Code will be grounds for discharge or other disciplinary action, adapted to the circumstances of the particular violation. Disciplinary action will be taken against individuals who authorize or participate directly in a violation of the Code. Disciplinary action also may be taken against any of the violator's managerial superiors, to the extent that the circumstances of the violation reflect inadequate supervision and leadership by the superior.

Complaints of Retaliation as a Result of Disclosure

Lyzr has a zero-tolerance policy for retaliation. If an employee or applicant believes that they have been retaliated against for disclosing information regarding misconduct under the Code, they should report it to any Lyzr manager or any Lyzr officer.

Lyzr encourages employees to come forward with any safety, ethical, or legal concerns. Retaliation against those who bring forward these types of related concerns or complaints, or those who assist in raising complaints, is strictly prohibited.

Additional Workplace Policies

Endorsements and Solicitations

To avoid disruption of operations, employees may not solicit for any cause or purpose (including politics) during employee working time (which refers to time in which either the solicitor or solicitee is working, but does not include rest periods, meal periods or any other times when employees are properly not engaged in performing their work tasks). Lyzr also prohibits distribution of materials for any cause in working areas or while on work time. No employee should imply endorsement by Lyzr for a particular product or service without proper authorization.

This policy is not intended to restrict communications or actions protected by local, state, or federal law. This policy also does not restrict solicitations expressly authorized by Lyzr.

Electronic Communications

Lyzr provides you with various communication tools and other business equipment. Examples include Slack, email, voicemail, computers, etc. You are to use such devices for business purposes. These electronic communication tools and company-related work records belong to Lyzr and not to the employee. Lyzr routinely monitors use of company-provided internet, equipment, technology, and e-mail for legitimate business purposes and at any time with or without prior notice. Accordingly, employees have no reasonable expectation of privacy when they use the company-provided internet, equipment, communication system and e-mail. Additionally, internal, and external emails and Slack conversations are considered business records and may be subject to discovery in the event of litigation. Be aware of this possibility when sending email within and outside the company.

While incidental personal use of such equipment is allowed, it should not interfere with productivity or business demands. Unauthorized or illegal use or communications may be subject to disciplinary action up to and including termination of employment.

Use of Cell Phones

Lyzr requires the safe use of cell phones by employees who use them to conduct Lyzr business. Employees are required to obey all applicable state and local laws regarding cell phone use while driving.

Under no circumstances should employees use a cellular telephone to send, receive or review text messages, email or information over the Internet while driving.

Information Security

Lyzr requires all employees and contractors to take an active role in Information Security. Everyone is required to stay up to date on all Security Policies, Procedures and Security Training to help Lyzr keep its security certifications. Employees are required to sign additional security policy acknowledgments, including but not limited to the User Security Policy and Acceptable Use Policy.

Confidential Information

As an employee, you may learn information that is not known by the general public. You may have access to confidential or proprietary information regarding Lyzr, its vendors, its customers, or perhaps even fellow employees. Confidential or proprietary information includes, but is not limited to business plans, strategies, budgets, projections, forecasts, financial and operating information, business contracts, databases, employee information, customer and vendor information, compensation data, advertising and marketing plans, proposals, training materials and methods, and other information not available to the public. This includes content uploaded into our system by customers and partners.

Regardless of whether this type of information is specifically identified as confidential, it is each employee's responsibility to keep this information in confidence. This is an ongoing obligation that does not end even if your employment with Lyzr ends. You must not use, reveal, or divulge any such information unless it is necessary for you to do so in the performance of your duties (or except as otherwise allowed, if at all, by applicable law). Generally, access to confidential information should be granted/provided/given on a “need-to-know” basis and must be authorized by your manager. Only designated personnel may make comments to any media requests.

All employees, contractors and temporary employees will also need to sign a Proprietary Information and Inventions Agreement (PIIA) as a condition of employment. If you improperly use or disclose any of Lyzr's confidential or proprietary information, you will be subject to disciplinary action, up to and including termination of employment, regardless of whether or not you receive any benefit from the use or disclosure.

Employment and Income Verification Requests and References

All inquiries for income or employment verification received by Lyzr from an outside party regarding a present or former employee should be directed to your manager.

No other manager or employee is authorized to release references for current or former employees. Lyzr will disclose only the dates of employment and title of the last position held in response to reference or employment verification requests. If an employee authorizes disclosure in writing, Lyzr will also provide the amount of salary or wage last earned.

Lyzr Furnished Equipment or Materials

You are responsible for taking good care of the equipment or materials furnished to you by Lyzr, which remain Lyzr's property and should only be used for legitimate Lyzr business.

Employees must return any Lyzr property in their possession upon separation of employment or immediately upon any request by Lyzr.

Chapter Two:

General Employment Policies and Information

Equal Employment Opportunity and Diversity

Lyzr is committed to creating a fair and equitable, inclusive workplace that embraces difference and fosters inclusion. As a result, we take our equal-employment principles very seriously and work to ensure that all Lyzr employees are treated fairly and respectfully. We strive to find ways to attract, develop and retain the talent needed to meet business objectives, which starts with the effort to recruit and employ the most highly qualified, diverse group of individuals we can.

Employment policies and decisions on employment and promotion are based on merit, qualifications, performance, potential, and business needs. The decisions and criteria governing the employment relationship with all employees are made without regard to age, race, color, national origin, gender (including pregnancy, childbirth, breastfeeding or medical condition related to pregnancy or childbirth), gender identity or expression, religion, physical or mental disability, medical condition, legally protected genetic information, marital status, veteran status, sexual orientation, or any other factor

determined to be an unlawful basis for such decisions by applicable federal, state, or local statutes (including medical marijuana cardholder status for Arizona applicants and employees).

No legally protected characteristic will be a factor in decisions regarding any of the following:

- Recruiting
- Hiring
- Compensation
- Scheduling
- Training
- Assignments
- Promotion/demotion
- Discipline
- Termination of employment, or
- Any other terms or conditions or privileges of employment.

Moreover, in accordance with applicable federal, state, and local laws, Lyzr will make reasonable accommodations for individuals with known disabilities, or for conditions related to pregnancy (including but not limited to childbirth or lactation), provided that such individuals are qualified to perform the essential functions and assignments of the job, with or without accommodation, and provided that any accommodations would not impose an undue hardship on Lyzr or creates a direct safety threat. Lyzr wishes to have timely, good faith discussions with applicants or employees who make their condition known to determine what accommodations may be appropriate. Any applicant or employee who requires accommodation during the application process or in order to perform the essential functions of the job should contact a Lyzr manager to request such an accommodation.

Lyzr is also committed to providing equal employment opportunities to all individuals, regardless of their religious beliefs and practices or lack thereof. Consistent with this commitment, Lyzr may provide a reasonable accommodation of an applicant's or employee's sincerely held religious belief if the accommodation would resolve a conflict between the individual's religious beliefs or practices and a work requirement, unless doing so would create an undue hardship for Lyzr.

If you have any reason to believe that you (or someone else) haven't been treated in accordance with this policy, you should immediately inform your manager, any other Lyzr manager or officer, or the People Team.

Immigration Reform and Control Act

In compliance with the federal Immigration Reform and Control Act of 1986 (IRCA), as amended, and any state law requirements, if applicable, Lyzr is committed to employing only individuals who are authorized to work in the United States. Lyzr participates in E-Verify, which is an internet-based system that allows businesses to determine the eligibility of their employees to work in the United States.

Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility within three days of the employee's date of hire. The Employment Eligibility Verification Form I-9 and supporting documentation will be provided to E-Verify for confirmation of eligibility for employment. A failure to complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility within three days of the employee's date of hire may result in termination of employment.

If an employee is authorized to work in this country for a limited time period, the individual will be required to submit proof of renewed employment eligibility prior to expiration of that period to remain employed by the company.

Open Door Policy

We have an open-door policy that seeks to encourage employees to participate in decisions affecting them and their daily professional responsibilities. We encourage you to make your concerns, questions, suggestions, and comments known to us. Whether you have a question about any of our policies or programs, or a concern about a decision affecting your job, you can make yourself heard so that your question or concern may be addressed, and appropriate steps can be taken toward a resolution. If you have concerns about potentially unlawful harassment, discrimination, or sexual assault, follow the reporting procedures described in the Anti-Harassment and Discrimination policy in Chapter One.

Background and Reference Checks

To ensure that individuals who join Lyzr are well-qualified and to ensure that Lyzr maintains a safe and productive work environment, it is our policy to conduct pre-employment background checks on all applicants who accept an offer of employment. Background checks may include verification of any information on the applicant's resume or application form.

All offers of employment are conditioned on receipt of a background check report that is acceptable to Lyzr. All background checks are conducted in conformity with applicable law, including the Fair Credit Reporting Act and state and federal privacy and anti-discrimination laws. Reports are kept confidential and are only viewed by necessary individuals involved in the hiring process.

If information obtained in a background check would lead Lyzr to deny employment, a copy of the report will be provided to the applicant, and the applicant will have the opportunity to dispute the report's accuracy. Background checks may include a criminal record check, although a criminal conviction does not automatically bar an applicant from employment.

Additional checks such as a driving record or credit report may be made on applicants for particular job categories if appropriate and job related.

Lyzr also reserves the right to conduct a background check for current employees to determine eligibility for promotion or reassignment in the same manner as described above.

Employment Categories

To address payroll, benefits, and other issues, employees are classified in various ways. None of the classifications alter the at-will employment policy, as nothing in this handbook (including this policy) alters the at-will employment policy.

A. General Categories

You will be assigned to one of the following categories at any given time. These employment categories, which relate to the regular extent of your commitment, are as follows:

- **Regular, Full-Time employees** are regularly scheduled to work 40 hours or more per week. Generally, these employees are eligible for certain benefits like Sick Pay, and are eligible to elect benefits coverage under the Lyzr Benefits Programs, subject to the terms, conditions and limitations of each benefits program.
- **Regular, Part-Time employees** are regularly scheduled to work less than 40 hours per week. Regular, Part-Time employees may be eligible for some benefits like Sick Pay (on a prorated basis), and but are not eligible to apply for coverage under Lyzr Benefits Programs, unless legally required, and subject to the terms, conditions, and limitations of each benefits program. Please refer to the Benefits Guidebook for additional information.

B. Exempt and Non-exempt Status

In addition to being classified in accordance with the above categories, you will also be classified as exempt or non-exempt. Exempt/non-exempt status corresponds to your eligibility for overtime pay and certain other legal rights. This status is determined based on applicable law and such factors as the nature of your work, your duties and responsibilities, and your level and form of compensation.

C. Non-Exempt Employees

Are typically paid by the hour for each hour they work in a pay period and always receive overtime pay in accordance with the applicable overtime rules. For overtime rules applicable to you, please contact the People Team.

D. Exempt Employees

Are classified as such if they are not entitled to overtime under the federal (or, if applicable, state) wage and hour laws. Employees in positions classified as Exempt are generally paid a salary intended to compensate them fully for all hours worked each week. Exempt employees are not compensated based on the number of hours worked and do not receive overtime pay.

Access to Personnel Records

LyZR maintains records for all employees. Most employee information may be accessed only by appropriately authorized employer personnel. In addition, access to these records may be granted to government agencies in accordance with the law, and to other third parties by way of legal subpoena or court order.

Requests by current and former worksite employees to access employment records should be made to the LyZR's senior management team. LyZR will follow all state and federal laws in granting an employee access to view and/or to receive a copy of their personnel file.

Bring Your Own Device

Lyzr permits some employees to use their own personal mobile devices, including but not limited to tablets, smartphones, and wearable technology (devices”), to perform work for Lyzr or on Lyzr’s behalf. However, to protect Lyzr and its employees, any use of a device for business purposes must conform to this policy as described below. In addition, each user is responsible for using their device in a sensible, productive, ethical, and lawful manner. Employees are prohibited from using personal computers for work-related functions unless approved by the IT department.

All materials, data, communications and information, including but not limited to email (both outgoing and incoming), telephone conversations and voice mail recordings, instant messages, and internet and social media postings and activities (“content”) created on, transmitted to, received or printed from, or stored or recorded on the device for Lyzr’s business or on behalf of Lyzr is property of Lyzr, regardless of who owns the device(s) used.

To access corporate email on a personal mobile device, we require the following:

- Passcode enabled and set to erase/factory reset device after 15 incorrect attempts
- Encryption enabled

Lyzr reserves the right to monitor, intercept, review, without further notice, all content created on, transmitted to, received or printed from, or stored or recorded on the device for Lyzr’s business or on behalf of Lyzr. Lyzr also maintains the authority to wipe the device of any and all data upon termination. Therefore, employees should have no expectation of privacy whatsoever in any content created on, transmitted to, received, or printed from, or stored or recorded on the device for Lyzr’s business or on behalf of Lyzr.

Use of Name and Likeness

You hereby authorize the Company to use and reuse your name, photograph, likeness (including caricature), voice, and biographical information, and any reproduction or simulation thereof, in any form of media or technology now known or hereafter developed, both during and after your employment, for any purposes related to the Company's business, such as marketing, advertising, credits, and presentations.

Ending Your Employment

If you choose to leave Lyzr, we ask that you do so in writing and indicate your reason for leaving, the effective date of your resignation, and a forwarding address. Resigning employees are encouraged to provide at least two weeks' notice, preferably in writing, to facilitate a smooth transition out of the organization. Upon separation, Lyzr will follow all applicable local, state, and federal guidelines for final payment.

Chapter Three:

Pay, Hours, and Leaves

Direct Deposit

You may elect to automatically deposit your paycheck into an account with almost any bank, including the option of designating multiple accounts to which specified portions of your paycheck may be directly deposited.

Funds are transferred electronically the same day as your regular payday.

Please be aware that posting of deposits and availability of funds varies by banking institutions and is not under Lyzr's control. If you have questions or encounter issues with such a delay, you should contact your banking institution.

Payday and Paychecks

Technology allows you to receive pay and payday information without delay. If you prefer not to direct deposit your paycheck, your check will be sent to your home address.

Lyzr does not extend payroll advances, loans, or credit to employees.

Payroll Deductions

Lyzr categorizes payroll deductions as either voluntary or involuntary. Voluntary deductions are taken if you enroll or are enrolled by default in any of the following programs or services, assuming you are eligible.

Your first paycheck after Lyzr receives and processes your benefits enrollment may reflect retroactive deductions for plans in which you enrolled that became effective on your benefits eligibility date.

Involuntary deductions are those mandated by a government agency, or by any court orders, liens, or wage assignments that the law may require us to recognize. Examples of mandatory deductions that we take until the required amount is reached include, but are not limited to, the following:

- Federal & State Income Tax Withholding
- Social Security (FICA)
- State Disability Insurance (SDI) (as applicable)
- Medicare
- State or local taxes (as applicable)
- Child support (as applicable)
- Garnishments (as applicable)

Your pay statement provides you with the current pay period and year-to-date payroll deductions withheld from your paycheck. These deductions are reported each year on your annual Form W-2, Wage & Tax Statement.

Employees will be reimbursed in full for any isolated, inadvertent, or improper deductions, as defined by law. Lyzr will not make deductions which are prohibited by the Fair Labor Standards Act or state laws from its exempt employees' pay.

Hours and Timekeeping

Your regularly scheduled hours (as applicable) will be determined by your manager.

If you are a non-exempt employee, you must not work outside of your regularly scheduled hours unless you have been pre-approved to do so by your manager. Failure to obtain such pre-approval may result in disciplinary action, up to and including termination of employment.

It is the responsibility of each non-exempt employee to accurately record their time on a daily basis. If you are a non-exempt employee and work outside of your regularly scheduled hours, regardless of whether or not you obtain your manager's pre-approval for such work, you must record all of your work time in ADP.

Non-Exempt employees are required to record the times when they actually start and stop work during each workday.

Any other stops and starts must also be recorded, with the exception of those related to paid rest periods. The start and stop times associated with paid rest periods need not be recorded unless otherwise instructed in writing.

If you are a non-exempt employee, your manager will inform you of the time-keeping system you are to use to record your time. You cannot record time for anyone but yourself.

If there is an error in the recording of your time, you must contact your manager immediately so that it can be corrected. Managers (or their designees) are responsible for addressing any errors in time records and may not edit any time records without the express written consent of the employee whose records are to be edited.

Any falsification of time records or misuse of a timekeeping system is strictly prohibited. Violations of this policy may result in corrective action, up to and including termination of employment.

Meal and Rest Breaks

Requirements and details regarding breaks for meals or rest are legally controlled by state standards.

Overtime and Overtime Pay

LyZR's workweek, for payroll purposes, is defined as Sunday (12:01 am) through the following Sunday (12:00 am). Non-exempt employees are eligible to receive overtime pay for overtime work. What constitutes overtime work depends on where you work, as there is a federal standard (i.e., hours in excess of 40 per week) but also some state standards that go beyond the federal standard (i.e., some states like California require daily overtime). Please ask your manager for information about what constitutes overtime for you.

If you are a non-exempt employee, you must not work overtime unless you have been pre-approved to do so by your manager. Failure to obtain such pre-approval may result in disciplinary action, up to and including termination of employment. However, overtime worked and recorded as such will always be paid at the appropriate overtime rate.

Holidays, sick leave, UVT (Flexible Vacation Time), jury and witness leave, and other leaves are not considered time actually worked when calculating hours worked for overtime purposes.

Non-exempt employees will be paid at a rate of time and one-half of the employee's regular hourly rate for hours worked in excess of 40 hours in a workweek, unless state law provides a greater benefit, in which case we will comply with state law.

Non-exempt employees who work on a designated LyZR holiday will receive two-times their normal hourly rate for the first 8 hours. All hours worked over 8 on a holiday will be paid at a rate of time and one-half of the employee's regular hourly rate.

Exempt employees are not eligible for overtime.

Expense Policy

To make expense reimbursements smooth and timely, all employees are requested to submit reimbursable expense claims through the Company's HRMS portal.

For expenses to be included in the same month's payroll, please ensure that your claims are raised and submitted on or before the 20th of each month. Once submitted, the claim will automatically be routed to your Reporting Manager for review and approval.

Expenses that are submitted by the 20th and approved in the HRMS will be reimbursed along with that month's payroll. Claims submitted after the 20th, or those awaiting approval, will be processed in the next payroll cycle, subject to approval.

To help avoid any delays, employees are encouraged to ensure that:

- Expense details are complete and accurate
- Valid supporting receipts are uploaded in the HRMS
- Expenses align with the Company's expense guidelines

Please note that reimbursements can be processed only after manager approval is completed in the HRMS. We appreciate your cooperation in following this process, as it helps us ensure timely and accurate reimbursements for everyone.

Attendance & Tardiness, Paid and Unpaid Time off (Excluding Leaves of Absence)

A. Attendance

If you expect to be absent or tardy to work, you must notify your manager as far ahead of time as possible. If you fail to report for work for three consecutive scheduled workdays without notifying your manager, you may be considered to have abandoned your job and voluntarily resigned your employment without notice.

B. Holidays

We observe major US holidays to allow our team to recharge and spend time with family:

- New Year's Day (January 1)
- *Martin Luther King's Birthday (3rd Monday in January)**
- *Washington's Birthday (3rd Monday in February)**
- Memorial Day (Last Monday in May)
- Juneteenth National Independence Day (June 19)
- Independence Day (July 4)
- *Columbus Day (2nd Monday in October)**
- *Veterans' Day (November 11)**
- Labor Day (First Monday in September)
- Thanksgiving Day (Fourth Thursday in November)
- *Day after Thanksgiving (Friday after Thanksgiving)**
- Christmas Day (December 25)

**Optional days can be used for other personal days.*

-When a holiday falls on a weekend, it will be observed on the closest weekday.

All veterans and reserve-duty service members may elect to take a paid holiday on both Memorial Day (if the employee's job duties would otherwise require the employee to work on the company-wide holiday) and Veteran's Day.

C. Flexible Vacation Time Off (UVT)

Lyzir offers paid Flexible Vacation to its employees because it trusts its employees to manage their work time in a way that maximizes their job satisfaction and their productivity. This policy gives employees the flexibility to take time away from work when they need to recharge and still manage the completion of their work. Employees are expected to complete all job duties and meet work-related deadlines and performance expectations. Unsatisfactory job performance or excessive use of Flexible Vacation may result in an employee no longer being eligible for Flexible Vacation. In addition, abuse of this policy may result in discipline, including termination.

There is no payout, accrual, or rollover of Flexible Vacation time. Flexible Vacation time is not "earned."

To request time off, submit your dates in Gusto (or any replacement system) with as much advance notice as possible, at a minimum, one week prior to the date(s) requested. For time off in excess of one week, submit your request at least one month in advance. The use of Flexible Vacation is approved on a first-come, first-serve basis, with managers approving requests according to business and position needs and the order in which the requests were submitted. Failure to request time off sufficiently in advance may result in denial of your request. Flexible Vacation can only be taken on days that an employee is scheduled to work. Managers may establish “blackout” dates due to business needs.

If you need to be out of the office unexpectedly, notify your manager as soon as possible on the day you are out. Failure to provide timely notice to your manager will result in the absence being recorded as unexcused and may result in disciplinary action.

Employees will typically take 3-4 weeks off per year, but this will vary by employee, by year and by business needs. In general, it’s up to the employee and their manager to ensure that the employee continues to meet work-related deadlines and other time commitments of the job.

Some types of absences are protected by law and it is critical that Lyzr be able to track those types of absences to ensure that no disciplinary or performance management decision is made based on a protected absence. Flexible Vacation is not a protected absence. Lyzr will track your Flexible Vacation and employees must continue to separately request Sick Pay, Parental Leave, Jury Duty, Bereavement, Volunteer Time

Off, and Military Leave as well. Time off due to leaves of absence for these reasons, as well as family medical leave under FMLA or state laws and leaves of absence related to a workers’ compensation claim or disability accommodation, are handled separately. Flexible Vacation may not be used for other types of absences unless specifically noted.

D. Paid Sick Leave

Except as otherwise provided in an applicable state addendum below or as otherwise required by law, we offer up to forty (40) hours of paid sick leave to full-time and part-time employees, which can be used for purposes including your own illness or a family member's illness that prevents you from reporting to work, and potentially other reasons depending on state and local laws. Consult your state addendum at the end of this handbook if included or contact the People Team for more information.

Each employee receives 40 hours of paid sick leave upon hire, and there is no waiting period before you may utilize sick leave hours. Each January 1 after the year of hire, each employee's sick leave bank will be replenished to 40 hours if applicable; unused sick leave may be carried forward from one year to the next up to a maximum of 80 hours unless otherwise required by law.

Lyzir will reinstate accrued, but unused Paid Sick Leave to employees who separate but are rehired within one year from their date of separation. Under no circumstances may sick leave of any employee be converted to cash, be paid out upon separation, or be used as PTO or holiday time, unless required by state or local law.

Lyzir complies with all state and local law regarding Paid Sick Leave. To the extent any applicable paid sick time/leave ordinance provides any greater rights than set forth in this policy, such provisions are incorporated by reference. If you have further questions, please review the applicable state supplement at the end of this handbook and/or contact the People Team.

E. Bereavement Leave

Five (5) paid days off are available (per occurrence) if a death occurs in your immediate family. Please see your manager to arrange the appropriate time off. Immediate family includes spouse, child, parent, brother, sister, grandparent, mother-in-law, father-in-law, domestic partner, and domestic partner's mother or father, unless otherwise provided by applicable law.

F. Voting Time

We encourage all employees to take part in the electoral process. In most cases, you can vote before or after working hours. If scheduling difficulties makes this impractical, you may be able to take unpaid time off with prior approval from your manager. Applicable state legal requirements will be followed.

G. Time Off for Jury and Witness Duty

Lyzr encourages employees to fulfill their civic duties related to jury and witness service. If you're legally obliged to serve jury duty or appear as a witness, inform your manager of your obligation as soon as you're notified. Time off for jury or witness duty is paid for up to 4 weeks per calendar year. If jury or witness duty lasts longer, the time away beyond 4 weeks will be unpaid. Based on business necessity, you or your manager may choose to ask the court to have you excused. If you're away from work because of jury or witness duty, you'll need to present evidence of such duty to Lyzr when you return. Be sure to obtain documentation from the court. Applicable legal requirements will be followed.

You must report to work during your regular hours if you are dismissed from the jury or if, for any reason, you are not required to remain at court.

H. State-Specific Time Off

Many states provide for additional paid and unpaid time off. See the applicable addendum at the end of this handbook or contact your manager and/or People Team for additional information.

I. Leaves of Absence

Generally

Employees who need to be absent from work for reasons other than personal time or vacation, may request a Leave of Absence. Generally, and except as otherwise described in this handbook, state addendums, or as required by law, leaves of absence are granted without pay, but an employee may use sick leave, as appropriate, to provide compensation during an otherwise unpaid leave. Sick leave will be coordinated with any government paid leave benefits that an employee may be eligible for to ensure that the employee receives no more than 100% of the employee's base pay. Leaves may be granted for a variety of reasons, including (without limitation): your medical disability, a serious health condition of you or a qualifying family member, pregnancy, bonding with a newborn or adopted child, military leave, or personal leaves Lyzr deems compelling, or as otherwise permitted by federal, state, or local law.

To request a leave of absence, you need to contact your manager as soon as practicable who will help you submit the leave of absence request.

Your health insurance benefits and arrangements for your portion, if any, of premium payments may be affected by your leave of absence.

If your health benefits are terminated and you elect COBRA

Should your regular health insurance benefits be terminated as a result of your leave, you will be eligible to continue these benefits pursuant to COBRA. A separate COBRA enrollment package will be sent to your home address following any such loss of coverage. Your health insurance benefits will be continued pursuant to COBRA should you properly elect, and continue to remain eligible for, COBRA continuation coverage. Nothing in this handbook is a guarantee of COBRA coverage, as you remain solely responsible for meeting certain eligibility requirements under COBRA in order to maintain COBRA coverage through Lyzr.

With COBRA continuation coverage, unless you return to work on the first day of the month, your COBRA medical, dental and/or vision benefits will continue to the end of the month during which you return to work and your regular health insurance benefits will resume on the 1st of the month following the date you return to work. You will be responsible for paying for that month's COBRA continuation coverage on or before the last day of the grace period provided pursuant to COBRA.

If your health benefits are terminated and you do not elect COBRA

If your regular health insurance benefits are terminated as a result of your leave of absence and you do not elect to continue them pursuant to COBRA, your benefits automatically will be reinstated the first of the month following your return-to-work date or upon rehire.

Absent Extenuating Circumstances

Failure to return to work within three (3) consecutive days after the expiration of an approved leave may be considered a voluntary resignation.

J. Military Duty

Lyzr is committed to protecting the job rights of employees absent on military leave. If you join a branch of the Armed Forces of the United States or you are a member of a reserve component of the U.S. Armed Forces or the National Guard, you may be entitled to take a leave to perform military duties. The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) provides enhanced leave rights and job protections for employees absent for military duty. USERRA prohibits discrimination in employment and retaliation against any person who was, is, or applies to be a member of a uniformed service, or who performs or has an obligation to perform service in a uniformed service. A number of state laws also provide leave rights for employees requiring time off for military duty.

At Lyzr, you will be paid for up to 4 weeks per year for Military Leave. Additional unpaid leave will be provided as allowed by applicable federal and state laws. To be eligible for military leave, employees must provide advance notice of their service obligations, unless they are prevented from providing such notice due to military necessity or it is otherwise impossible or unreasonable to provide such notice. You must provide a copy of your orders and/or training notices, or any other reasonable form of notice of your military duty to qualify for paid leave.

K. Pregnancy Related Leave

Certain states provide specific leave rights for pregnancy, childbirth, and related medical conditions. Please contact your manager for more information.

L. Parental Leave Policy

Certain states provide specific leave rights for pregnancy, childbirth, and related medical conditions. Please contact your manager for more information.

Purpose/Objective

The purpose of paid parental leave is to provide qualified employees with compensation while they care for and bond with a newborn or a newly adopted or newly placed child. Except as otherwise described in an applicable state addendum or as required by applicable law, Lyzr will provide up to three (3) weeks of paid parental leave to employees following the birth of an employee's child or the placement of a child with an employee in connection with adoption or foster care. Paid parental leave must be taken in a single block of time within one year of the birth, adoption, or foster care placement.

Eligibility

Eligible employees must meet the following criteria:

- Have been employed with the company for at least 90 days
- Be a full- or part-time, regular employee (temporary employees and interns are not eligible for this benefit).
- Part-Time employees' time would be prorated based on weekly hours worked.

Amount, Time Frame and Duration of Paid Parental Leave

- Eligible employees receive a maximum of three weeks of paid parental leave per birth, adoption or placement of a child/children. The fact that a multiple birth, adoption or placement occurs (e.g., the birth of twins or adoption of siblings) does not increase the three-week total amount of paid parental leave granted for that event.
- Each week of paid parental leave is compensated at 100 percent of the employee's regular, base weekly pay (weekly compensation will be based on an average in the event the employee's hours fluctuate). Paid parental leave is paid on regularly scheduled pay dates.

- Approved paid parental leave may be taken at any time during the 12-month period immediately following the birth, adoption or placement of a child with the employee and in a single block of time. Paid parental leave may not be used or extended beyond this 12-month time frame.
- In the event of an employee who has given birth, the weeks of paid parental leave will commence at the conclusion of any short-term disability leave or other paid benefit provided to the employee for the employee's own medical recovery following childbirth.
- In any other scenario, paid parental leave will be paid out after any other applicable paid leave, unless intermittent leave has been elected.
- Employees must take paid parental leave in one continuous period of leave and must use paid parental leave during the 12-month time frame indicated above. Any unused paid parental leave is forfeited at the end of the 12-month time frame. Intermittent leave may be approved in certain circumstances.
- Upon termination of the individual's employment at the company, they will not be paid for any unused paid parental leave for which they were eligible.

Coordination with Other Policies

- Paid parental leave taken under this policy runs concurrently with leave under the FMLA or applicable state law and counts towards the employee's FMLA or state leave entitlement, if legally permissible. All other requirements and provisions under the FMLA or applicable state law apply.
- The company maintains all benefits for employees during the paid parental leave period just as if they were taking any other paid leave such as Unlimited Vacation or paid sick leave.

Requests for Paid Parental Leave

The employee must provide their supervisor and the People Team with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible). The employee must timely complete the necessary forms, and if possible, coordinate timing with their manager.

M. Other Family and Medical Leave

If the absence you have from work is for a serious health condition-either yours or a qualifying family member-you may be eligible for leave under applicable law.

N. Unprotected Personal Leaves

Lyzer intends to recognize that reasonable requests for periods of time off beyond those provided by Lyzer's other leave provisions or as required by law may be honored on a case-by-case basis in the company's sole discretion. Employees should discuss their request with their manager and then request their personal leave of absence with their manager.

Re-employment is not guaranteed. Following completion of the leave, if re-employment is not possible or unreasonable due to business conditions, the employee will be terminated as a voluntary termination. Returning to the same job following a personal leave cannot be guaranteed.

During a personal leave, employees do not accrue sick leave and employees are not eligible for other employee benefits except as required by law. With regard to stock vesting, vesting will not continue during the non-statutory personal leave of absence. A number of employee benefits and programs are affected when an employee is on a personal leave of absence.

Chapter Four:

Benefits Required By Law

You are entitled to certain benefits under the law, regardless of your position, subject to meeting certain conditions. These mandated benefits include those described in this chapter (if applicable).

State Disability Insurance

Some states (such as California, Hawaii, New Jersey, New York and Rhode Island) and the Commonwealth of Puerto Rico provide a form of limited disability insurance. If you work in one of these areas, you may be eligible for limited disability insurance payments if you cannot work because of a sickness or injury not caused by your job (job-related conditions fall under workers' compensation). The terms and amount of disability coverage are subject to state laws and vary from state to state. Some states, such as California, require Lyzr to make deductions from your paycheck to fund the disability insurance benefits program. To receive disability benefits, file a claim with the state disability insurance agency.

Workers' Compensation Insurance

As of your date of hire, you are covered by workers' compensation insurance. Please don't forget to immediately report to your manager all injuries sustained while working. Please note that workers' compensation covers only work-related injuries and illnesses. You will not be eligible to receive workers' compensation benefits for injuries that might happen if you voluntarily participate in an off-duty recreational, social, or athletic activity that does not constitute a part of your work-related duties.

Unemployment Insurance

If you become unemployed, you may be eligible for unemployment insurance, a weekly benefit while you are out of work. For information on filing a claim, please contact your state's unemployment department.

Social Security

You will see deductions on your paycheck for FICA, an acronym that stands for Federal Insurance Contributions Act, otherwise known as Social Security and Medicare. This deduction represents your contribution toward your Social Security benefit. In addition to supplemental retirement benefits, Social Security offers certain disability and/or Medicare coverage. Contact your nearest Social Security Administration office for further details.

COBRA

If you or your covered dependents lose eligibility for regular group medical, dental, vision benefits and/or Health Care FSA, you may be eligible to continue your coverage under COBRA. COBRA allows you to continue receiving these benefits on a temporary basis in certain situations where coverage under the Benefits Plan would otherwise end.

Retirement Benefits

Lyzr currently does not offer a 401(k) or retirement plan benefit but plans to do so no later than January 1, 2026. However some states require that employers offer state-provided retirement plan options. For employees in those states we will provide the state-mandated retirement plan options.

Chapter Five:

Employee Receipt and Acknowledgement of Handbook

Please return signed acknowledgement to the People Team

This employee handbook is intended to explain the terms and conditions of employment of all full-time and part-time employees. It summarizes the policies and practices in effect at the time of publication and does not create any contractual obligations for Lyzr. This handbook supersedes all previously issued handbooks and any policy or benefit statements or memoranda that are inconsistent with the policies described here. Your manager or a representative from the senior management team will be happy to answer any questions you may have.

*By signing below, I am acknowledging that I have received a copy of the Lyzr Employee Handbook and applicable State Supplements and understand that it contains important information and Lyzr's policies and my privileges and obligations as an employee. I acknowledge that I am expected to read, understand and adhere to the policies in the Handbook. I agree to receive electronic pay statements. **I understand that my employment is at will, meaning either Lyzr or I can terminate the employment relationship at any time, with or without cause, for any or no reason. I also understand that, except for the at-will policy, the policies of Lyzr can be changed at any time.***

CALIFORNIA ADDENDUM

Introduction

The following are some of the Company's policies unique to California, and only California, employees. To the extent that any policy contained in the Handbook is contrary to state or local law, the Company will follow applicable state or local laws. This includes a summary of the most common types of leave available under state law. If you have questions about whether your particular situation is covered, please contact your supervisor.

A. California Family Rights Act

The California Family Rights Act ("CFRA") provides eligible employees the opportunity to take unpaid, job-protected leave for certain specified reasons. The maximum amount of leave employees may use under this policy is 12 weeks within a 12-month period. When applicable, CFRA leave runs concurrent with FMLA leave.

To be eligible for CFRA leave, employees must:

- Have worked at least 12 months for the Company in the preceding seven years (limited exceptions apply to the seven-year requirement).
- Have worked at least 1,250 hours for the Company over the 12 months preceding the date the leave would commence.

All periods of absence from work due to or necessitated by service in the uniformed services are counted as hours worked in determining eligibility.

CFRA leave may be taken for any of the following reasons:

- To care for or bond with a newborn child.
- To care for or bond with a child placed with the employee and/or the employee's registered domestic partner for adoption or foster care.
- To care for an immediate family member (employee's spouse, parent, parent-in-law, registered domestic partner, child or registered domestic partner's child of any age, sibling, grandparent, or grandchild) with a serious health condition.
- Because of the employee's serious health condition that makes the employee unable to perform his or her job (with the exception of pregnancy, which is covered under Pregnancy Disability Leave and does not run concurrently with CFRA).
- A qualifying military exigency related to the covered active duty or call to covered active duty of an employee's spouse, domestic partner, child (of any age), or parent in the United States Armed Forces.

Such leave may be taken in a single block of time, intermittently (in separate blocks of time), or by reducing the normal work schedule. Employees who require intermittent or reduced-schedule leave must try to schedule their leave so that it will not unduly disrupt the Company's operations.

Intermittent leave is permitted in intervals of at least one hour or at the same intervals as provided in other relevant policies, whichever increments are smaller.

Depending on the purpose of the leave request, employees may choose to use accrued paid sick time concurrently with some or all of the CFRA leave. To use paid leave concurrently with CFRA leave, eligible employees must comply with the Company's normal procedures for the applicable paid-leave policy (e.g., call-in procedures, advance notice).

Employee paid sick time accruals will continue while paid leave is used during periods of CFRA absence and in accordance with those individual policies.

Employee paid-leave accruals will not continue during unpaid periods of CFRA absence or when only disability payments are being received.

B. California Privacy Rights Act

California employees are entitled to certain protections regarding their private information under the California Privacy Rights Act. See Lyzr's separate privacy policy for California employees or communication with the People Team for more details.

C. State Leave Laws

California employees are eligible for leave as set forth below.*

1. Paid Family Leave

An employee who is off work to care for a child, spouse, parent, parent-in-law, grandparent, grandchild, sibling, spouse, registered domestic partner or child of a registered domestic partner with a serious health condition, or to bond with a new child entering the family by birth, adoption, or foster care placement, may be eligible to receive up to eight weeks of paid family leave benefits through the California Paid Family Leave ("PFL") program, which is administered by the Employment Development Department ("EDD").

These benefits are financed solely through employee contributions to the PFL program. That program is solely responsible for determining if an employee is eligible for such benefits. There is generally a waiting period during which time no PFL benefits are available. The EDD can provide additional information about any applicable waiting period. If you need to take time off work to care for a child, spouse, parent, parent-in-law, grandparent, grandchild, sibling, spouse, registered domestic partner or child of a registered domestic partner with a serious health condition or to bond with a new child, please inform your supervisor, and you will be given information about the EDD's PFL program and how to apply for benefits. Employees also may contact their local EDD office for further information.

** This is a nonexclusive list and the Company will provide any leave required by federal or California law.*

When an employee applies for PFL benefits, the HR Department will determine if the employee has any accrued but unused paid time available. If the employee has accrued but unused paid time available, then the employee will be required to use up to two weeks of such time before becoming eligible for PFL benefits.

PFL is a state-sponsored payment program and not a leave entitlement. Employees should request a leave of absence under the appropriate leave policy or policies that are applicable to them.

2. Pregnancy Disability Leave

California employees are eligible for up to four months of pregnancy disability leave ("PDL") for periods of disability associated with an employee's pregnancy, childbirth, and related medical conditions. Employees who are regularly scheduled to work less than 40 hours per week receive a prorated amount of PDL determined by comparing their regular work schedule to a 40-hour work week. PDL can be taken on an intermittent or reduced leave schedule where medically necessary.

All eligible employees must produce a written doctor's certificate verifying the period of disability. Employees must give as much advance notice as possible of the need for leave. In the case of a normal pregnancy, that generally means at least 30 days' notice but in the case of an emergency, as much notice as is practicable under the circumstances. PDL is unpaid. However, during PDL you must use any accrued sick leave, and you may use any accrued vacation. Accrued sick leave and vacation are used as part of the PDL, not in addition to such leave. During the period of disability, you may be eligible for disability pay benefits. Please refer to the applicable plan documents for details on eligibility, benefit amounts, and other particulars.

Upon completion of PDL, you shall be reinstated to your original position, or an equivalent one. To facilitate your return to work, we ask that you provide us with two weeks' advance notification of your intended return date.

3. Crime Victims Leave

Employees who are the victims of crimes or whose immediate family members are victims of crimes are entitled to take leave to attend judicial proceedings related to the crime. For purposes of this policy, "immediate family member" includes a spouse, registered domestic partner, children, children of a registered domestic partner, stepchildren, sisters, brothers, stepsisters, stepbrothers, half-siblings, parents, and stepparents.

In addition, employees who are victims of crimes can take leave for the following purposes:

- Obtain any relief, including a temporary restraining order or an injunction, to help ensure their own or their children's health, safety, or welfare;
- Seek medical attention for related injuries;
- Obtain services from a domestic violence shelter or program or from a rape crisis center;
- Undergo psychological counseling; or
- Participate in safety planning or other activities, including temporary or permanent relocation, to guard against future incidents.

Employees should give as much advance notice as possible of the need for Crime Victims Leave. The Company may require appropriate documentation verifying the need for leave.

4. Volunteer Firefighter, Reserve Peace Officer, and Emergency Rescue Personnel

Non-exempt employees will be granted time off without pay to perform emergency duties as a volunteer firefighter, reserve peace officer, or emergency rescue personnel. Employees who are volunteer firefighters also are eligible for leave of up to 14 days per calendar year for fire or law enforcement training. Exempt employees who work any portion of a work week in which they also perform such emergency duties or training will receive their full salary for that work week. Otherwise, exempt employees will be granted time off without pay.

5. Children's School-Related Activities

Employees who are parents, guardians, or custodial grandparents for a child in a licensed day-care facility or a school (kindergarten through grade 12) are entitled to up to 40 hours of leave per year, but no more than eight hours per calendar month, to participate in school-related activities involving their children.

The leave is subject to all of the following conditions:

1. Time off under this policy can only be used by parents, guardians, grandparents, stepparents, foster parents or a person who stands in loco parentis to one or more children of the age to attend kindergarten through grade 12 or a licensed childcare provider;
2. The amount of time off for school or childcare activities described below cannot exceed a total of 40 hours each year;
3. Covered employees can use the time off to find, enroll or reenroll a child in a school or with a licensed childcare provider or to participate in activities of the child's school or licensed childcare provider. The time off for these purposes cannot exceed eight hours in any calendar month. Employees planning to take time off for these purposes must provide reasonable advance notice to their supervisor.
4. Covered employees can also use time off to address a childcare provider or school emergency if the employee gives notice to the employer. A childcare provider or school emergency means that the employee's child cannot remain in a school or with a childcare provider due to one of the following:
 - The school or childcare provider has requested that the child be picked up, or has an attendance policy (excluding planned holidays) that prohibits the child from attending or requires the child to be picked up from the school or childcare provider;
 - Behavioral or discipline problems;
 - Closure or unexpected unavailability of the school or childcare provider, excluding planned holidays; or
 - A natural disaster, including, but not limited to, fire, earthquake or flood.

Employees must:

- Provide their supervisor with documentation from the school or licensed childcare provider verifying that they were engaged in these child-related activities on the day and time of the absence.
- If more than one parent is employed by the Company, the first employee to request such leave will receive the time off. Another parent will receive the time off only if the leave is approved by his or her supervisor.
- Use their paid sick time in order to receive compensation for this time off.
- Employees who do not have paid sick time available must take the time off without pay.

In the case of the child being suspended from school, there is no limit to the leave time the employee may take to deal with the formal suspension proceedings although such indefinite leave is not available to custodial grandparents. The Company may require written documentation concerning the activity from the school or licensed day-care facility.

6. National Guard Leave

The Company supports employees who serve in the armed forces, including in the National Guard. Eligible employees who must be absent from work for service in the National Guard are entitled to take a military leave of absence. Please reach out to your supervisor for more information regarding this and other available military leaves of absence.

7. Organ/Bone Marrow Donation Leave

An employee who has been employed for at least 90 days may request a leave of absence for up to 30 business days in any one calendar year period to undergo a medical procedure to donate an organ and up to five business days in any one calendar year period to donate bone marrow. Employees must provide a certification from their physician regarding the purpose and length of each leave requested. An employee must use up to five days of earned but unused paid sick time off for bone marrow donation and up to two weeks of unused paid sick time off for organ donation leave. If the employee does not have sufficient accrued paid sick time, the remaining leave time for such procedure shall be paid; however, the paid time off shall not exceed 30 days or five days for bone marrow donation. Subject to certain requirements, an employee is also entitled

to an additional unpaid leave of absence, not exceeding 30 business days in a one-year period, to an employee who is an organ donor, for the purpose of donating the employee's organ to another person. Organ and/or bone marrow donation leave will not be designated as FMLA or CFRA leave time. Employees will receive health benefits for the duration of their organ and/or bone marrow donation leave and upon returning from such leave will have a right to return to the same or equivalent positions they held before such leave.

D. Additional Enforcement Information

In addition to the Company's general complaint procedure, employees should also be aware that the federal Equal Employment Opportunity Commission (EEOC) and the California Department of Fair Employment and Housing (DFEH) investigate and prosecute complaints of harassment and discrimination in employment. Employees have the right to report allegations of illegal discrimination to the appropriate agency, and retaliation for exercising this right is prohibited by the Company.

E. State Disability Insurance

All employees contribute towards State Disability Insurance. If you are disabled while on the job, you may be eligible for benefits. Contact your supervisor for more information. You may also check the website of the EDD for more information.

F. Lactation in the Workplace

The Company provides a reasonable amount of break time to accommodate an employee's need to express breast milk for the employee's infant child. The Company will make a reasonable effort to provide the employee with the use of a room or other location (other than a bathroom) in close proximity to the employee's work area for the employee to express milk in private. Such space will meet the requirements of the California Labor Code, including a surface on which to place a breast pump and personal items, a place to sit, access to electricity, a sink with running water, and a refrigerator for storing breast milk.

All employees have a right to request a lactation accommodation. The general process for requesting such an accommodation is as follows:

- The employee should submit a written request to her supervisor.
- Within five business days the Company will respond to any request for an accommodation.

- The Company will also engage in the interactive process to determine an appropriate accommodation, including lactation break and/or lactation location.

If in response to a lactation accommodation the Company does not provide a requested lactation break or lactation location, the Company will provide the employee with a written response identifying the basis upon which the request is being denied.

The Company will not retaliate against any employee for enforcing her right to a lactation break, lactation location, or lactation accommodation.

Employees have the right to file a complaint with the labor commissioner for any violation of rights provided under Chapter 3.8 of the California Labor Code regarding lactation accommodations.

G. Overtime

All non-exempt employees who work more than eight hours in one workday or more than 40 hours in one work week will receive overtime pay computed as follows:

- Overtime at the rate of 1.5 times the employee's regular rate of pay for all hours worked in excess of 40 in any one work week.
- Overtime at the rate of one and 1.5 times the employee's regular rate of pay for the hours worked in excess of eight hours in any one workday up to 12 hours, and for the first eight hours worked on the seventh day of work in any one work week.
- Overtime at the rate of double the employee's regular rate of pay for all hours worked in excess of 12 hours in one workday, and for all hours worked in excess of eight on the seventh day of work in any one work week.

1. Reporting Time

A non-exempt employee who reports to work at the Company's request, whether for a regularly-scheduled shift or otherwise, but is furnished less than a full day's work, will be paid for half of the usual or scheduled day's work, but in no event less than two hours or more than four hours, at the employee's regular rate, without regard for the number of hours actually worked, unless the reasons for lack of work are beyond the Company's control. Reporting time pay will not be paid to an employee on paid standby status who is called to perform assigned work at a time other than the employee's scheduled reporting time. Reporting time hours are not counted as hours worked for overtime purposes beyond the time in which the work is actually performed.

2. Call-Back Pay

A non-exempt employee who is called back for a second work period in a workday and is given less than two hours of work will be paid a minimum of two hours of pay at the employee's regular rate of pay for the second work period, without regard to the number of hours actually worked, unless the reasons for any failure to furnish two hours of work are beyond the Company's control. Call-back time is not counted as hours worked for overtime purposes beyond the time in which work is actually performed.

H. Final Paycheck

An employee who resigns with at least 72 hours of notice will receive their final paycheck at the end of their last day of work. If an employee's employment is terminated involuntarily, their final paycheck will be available immediately upon termination.
